Dear Mr. Hetyonk:

As you know the Foundation for Santa Barbara High School has been actively raising funds to renovate the JR Richards gym in a collaborative project between Santa Barbara High School and the Santa Barbara Unified School District.

We are pleased to inform you that Montecito Bank & Trust has agreed to become the sole sponsor of the large scoreboard in the gym for the life of the scoreboard. Montecito Bank & Trust will provide a \$25,000 donation payable to the Foundation over two years for this sponsorship. All funds will be directed entirely toward the renovation of the gym.

The Foundation respectfully requests that the Board of Education review and approve this scoreboard sponsorship. We are delighted to work with the community to invest in our schools and appreciate all your work to make this project successful.

Best regards,

Katie Jacobs
Director of Development
