Re: Evaluation of Eligibility for Seismic Mitigation Program: DSA Concurrence
Project Tracking Number: 69286-65 (Please use this number for all future correspondence).

Dear Dr. Cash,

The Division of the State Architect (DSA) has received the Eligibility Evaluation Report prepared by Kanda & Tso Associates dated March 11, 2013 for the building identified as:

Building: Grandstands with team room, weight room, restrooms and storage beneath. (renovated under #32087)
Campus: Santa Barbara High School
Address: 700 E. Anapamu Street
Santa Barbara, CA

Pursuant to Section 1859.82(a), Title 2, California Code of Regulations, the report has been reviewed by DSA. Based on the report findings, the building identified above meets the eligibility requirements for Seismic Mitigation Program (SMP) funding.

For projects consisting of replacement of eligible buildings, a Replacement Option Analysis shall be prepared and submitted to DSA Headquarters in accordance with Section 2 of DSA Procedure 08-03, which is available on the DSA website (Publications Section).

For projects consisting of seismic rehabilitation of eligible buildings, an Evaluation and Design Criteria Report shall be prepared and submitted to the DSA Regional Office in accordance with Section 3 of DSA Procedure 08-03.
