First priority for enrollment in a preschool program shall be given to neglected or abused children who are recipients of child protective services or who are at risk of being neglected, abused, or exploited, upon written referral from a legal, medical, or social service agency. If unable to enroll a child in this category, the district shall refer the child's parent/guardian to local resource and referral services so that services for the child can be located. After enrolling all eligible children who meet the criteria for subsidized services as specified in the section entitled "Fees and Charges" below, up to 10 percent of the program's enrollment, calculated throughout the entire contract, may be filled with children whose family income is no more than 15 percent above the income eligibility threshold. (Education Code 8235)

The district may certify eligibility and enrollment up to 120 calendar days prior to the first day of the beginning of the preschool year. After establishing eligibility at the time of initial enrollment, a child shall remain eligible for the remainder of the program year. (Education Code 8237)

When necessary due to a reduction in state reimbursements, families shall be disenrolled in the following order: (Education Code 8236, 8263.3)
