here is what is on the website:

Dos Pueblos High School Community Programs is proud host the Santa Barbara Youth Triathlon on July 27. This introductory triathlon is specifically aimed for kids ages 7-15 to participate in a safe and fun environment. DPHS Community Programs strives to create connections in the community, and promote healthy living for both youth and adults. This is a great opportunity to family members, volunteers, or businesses to get involved and create a positive foundation for the youth of Goleta and Santa Barbara. For more information or to register head to DPHSCP.org

Here is a more brief description:

The event starts with a swim in Elings Aquatic Center at DPHS. The participants then transition to the courtyard adjacent to the pool to start the bike loop to Winchester canyon road. After completing the loop bikers return back to the courtyard and begin the run on campus that end on the DPHS track.
