

**RESOLUTION NO. 2017/18 - 36**  
**BEFORE THE GOVERNING BOARD**  
**OF THE SANTA BARBARA UNIFIED SCHOOL DISTRICT**  
**SANTA BARBARA COUNTY, CALIFORNIA**

**Resolution Calling for Support of AB 2808 (Muratsuchi) to Increase Local Control Funding  
for California's Public Schools**

**WHEREAS**, California is the nation's most populous and wealthiest state and has the sixth largest economy in the world, and the largest Gross Domestic Product (GDP) of any state in the nation; and

**WHEREAS**, despite California's leadership in the global economy, the state falls in the nation's bottom quintile on nearly every measure of public K-12 school funding and school staffing; and

**WHEREAS**, California ranks 45<sup>th</sup> nationally in the percentage of taxable income spent on education, 41<sup>st</sup> in per-pupil funding, 45<sup>th</sup> in pupil-teacher ratios and 48<sup>th</sup> in pupil-staff ratios; and

**WHEREAS**, K-12 school funding has not substantially increased, on an inflation-adjusted basis, for more than a decade; and

**WHEREAS**, under the Local Control Funding Formula (LCFF), state funding for K-12 schools has only this year recently returned to levels predating the Great Recession of 2007; and

**WHEREAS**, the modest revenue increases since the implementation of the LCFF have been eroded by rapidly increasing costs for health care, pensions, special education, transportation and utilities; and

**WHEREAS**, 58 percent of California's public school students are eligible for free and reduced-price lunch — 13 percent above the national average — and 23 percent of California students are English learners, more than twice the national average; and

**WHEREAS**, California's investment in public schools is out of alignment with its wealth, its ambitions, its demographics and the demands of a 21<sup>st</sup>-century education; and

**WHEREAS**, California funds schools at roughly \$1,961 per student less than the national average, which translates to approximately \$3,462 per student when adjusted for California being a high-cost state; and

**WHEREAS**, California trails the average of the top 10 states by almost \$7,000 in per-pupil funding; and

**WHEREAS**, in order to prepare our students for participation in a democratic society and an increasingly competitive, technology-driven global economy, California must fund schools at a level sufficient to support student success; and

**WHEREAS**, if California is to close opportunity and achievement gaps and create a public school system that offers consistently high levels of education, the State must provide schools with the resources to meet the needs of their specific populations; and,

**WHEREAS**, the Governor's proposed 2018-19 budget would fully fund the LCFF and once that occurs there is not a mechanism to increase LCFF Targets; and,

**WHEREAS**, Assembly Member Al Muratsuchi has introduced AB 2808, which would increase LCFF base, supplemental and concentration grant funding to a level that is equal to or above the average of the top 10 states, as called for in State Constitution; and,

**NOW, THEREFORE BE IT RESOLVED**, that the governing board of the SANTA BARBARA UNIFIED SCHOOL DISTRICT, BOARD OF EDUCATION is in SUPPORT of AB 2808 and urges the State Legislature to pass, and the Governor to sign, this critical legislation that would fund California public schools at a level that is equal to or above the average of the top 10 states.
