## **Mission, Vision, and Core Values**

**E 0000**

### **MISSION STATEMENT**

The mission of Santa Barbara Unified School District is to prepare students for a world that is yet to be created.

### **VISION STATEMENT**

Students read, reason, and communicate to contribute positively to an ever changing world.

### **CORE VALUES**

Equity – We believe that all students have the capacity and desire to learn.

Improving our practices – We believe that everyone should be committed to growth and improving their work.

Evaluating our work – We will regularly review data and feedback to improve **all of** our practices.
