

Santa Barbara Unified

Every child, every chance, every day.

Office of Early Education and Support

Reopening Plans

- Our Early Learning Care (ELC) programs that operate on our district campuses that are closed due to public health orders, are able to remain closed and be funded to be operational by providing distance learning.
- SBUnified is required to discuss in a public hearing the ELC closure and prepare a plan for safely reopening our ELC programs.

Jaxson's first day of PK in Ms. Schwoerke's at Franklin Children's Center.

Reopening Plans

- Our Infant and Toddler classrooms at SBHS will continue to remain open for childcare.
- Preschool will remain in Distance Learning and will follow SBUnified's Pathway to in-person instruction.
 - This week, we welcomed 15 of our Mod/Sev Special Education Preschool students into our small cohorts at our Franklin Children's Center.

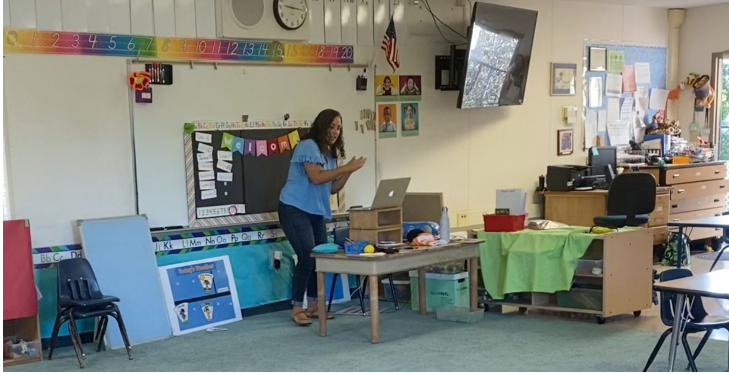

Ms. Cavazos next supply pick up at Harding!

Parent dropping off at our Infant Center

Reopening Plans

Ms. Kelly Mendesh at Adams singing a song with her students before their math lesson.

- We will be communicating with families about all health and safety protocols.
- Reaching out to families to request a decision on their preference for their student: in-person or distance learning.
- Have all licensed facilities approved for reopening by Community Care Licensing.
