LCAP  
Year

X 2017–18   2018–19   2019–20

Estimated Supplemental and Concentration Grant Funds:

\$ 10,408,662

Percentage to  
Increase or Improve  
Services:

9.45%

Describe how services provided for unduplicated pupils are increased or improved by at least the percentage identified above, either qualitatively or quantitatively, as compared to services provided for all students in the LCAP year.

Identify each action/service being funded or provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds (see instructions).

Majority of the total allocation of Supplemental and Concentration Grant Funds are principally directed to increasing and/or improving services for unduplicated pupils above and beyond those services provided for all students in School Year 2017-2018. The following actions, services and programs are intended to address systemic challenges, such as disproportionality in achievement, access and opportunity among student groups in the District. As such, the most effective way to ensure that unduplicated students experience a meaningful benefit is to ensure these actions, services and programs are district-wide and/or school-wide.

In some cases, actions, services and programs are exclusively targeted to meeting the needs of unduplicated pupils. In cases when services are split-funded between Supplemental and Concentration Grant Funds and alternative funding sources, the allocation of Supplemental and Concentration Grant Funds is aimed at expanding and/or enhancing services for unduplicated pupils. As an example, the Pre-School Coordinator position is extended to a full-time position using Supplemental and Concentration Grant Funds in order to support expansion of early childhood education opportunities to low-income, EL, and foster youth. The following actions, services and programs are provided exclusively to target unduplicated students:

- Expansion of access to early education (EL, Low-income)
- Support for Infant Center (EL, Low-income)
- English Language Development Support (EL)
